

## Welcome to 2009/2010 Life After School (LAS)

Dear LAS parents,

We plan to create a safe, engaging, and fun environment for your child to grow and learn. Children will participate in learning activities, art, and exciting games. We will provide a quiet atmosphere for your child to complete homework with adult mentoring.

As a site leader one of the goals is to create meaningful relationships and act as role models for your child. We will do this through positive reinforcement, life skills, and making healthy choices in their lives.

Thank you for choosing LAS. We look forward to working with you and your child in this school year. Please look for a monthly calendar of events and future letters of information about the exciting activities at Life After School.

Sincerely,

Your Site Leader
